While-In-Use Covers

Brand Features

The new Leviton Extra Duty While-in-Use Covers are ruggedly constructed to protect from moisture, debris and insects, while providing easy access to receptacles. These non-metallic covers are available in both vertical and horizontal configurations for a secure fit and neat appearance when mounted. The UV resistant polycarbonate cover and base protect wiring devices from the elements without breaking, cracking or discoloration. Stainless steel hinge pins offer added strength and resistance to the rigors of daily use. The Extra Duty While-In-Use Covers are available in solid Gray or Clear with a gray base. They are ideal for use with lawn equipment, pools, hot tubs, holiday and landscape lighting, outdoor entertainment systems, barbecues, fountains, vending machines and other outdoor electrical applications.

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
