Overview | Specifications | Where To Buy

For use with Broan brand range hoods. Broan filters are made from the highest quality materials to provide the longest life possible and keep your range hood operating at peak performance.

- Replacement charcoal filters for use with the BPS1FA30, BPS2FA30 and BPS3FA30 Aluminum filters when installing hood as non-ducted operation; four in a pack, two required for replacement
- CleanSense filters have a stripe feature on one side which changes color to indicate when it is time to replace the filter
- Refer to the Installation Guide provided with your range hood or see the FAQ section on this site for proper filter maintenance and warranty
