HDMI® Feedthrough QuickPort® Connector

APPLICATION

Use HDMI (High Definition Multimedia Interface) Feedthrough QuickPort Connectors for a customized high-definition media center. The standards-compliant connectors are compatible with all HDMI sources, including HDTVs and projectors. HDMI products transmit both audio and video signals. The HDMI connectors are compatible with QuickPort wallplates and housings. They are manufactured from high-quality ABS plastic and are available in white, ivory, light almond, and black.

SPECIFICATION

Connectors shall be designed for use in high-definition applications to provide interface between compatible devices. The connector shall support HDMI audio, 4K ultra HD video, and full-bandwidth uncompressed signals. Connectors shall be compatible with QuickPort-style wallplates and be available in white, ivory, light almond, and black. Housing shall be ABS plastic. Connector contacts shall be gold plated and connector shell shall be gold flash plated.

FEATURES

- Used for high-definition audio and video
- Snaps easily into QuickPort housing or wallplate
- Female-to-female connectors for easy installation
- Cleaner install with in-wall wiring
- Supports HDMI audio, 4K ultra HD video, and full-bandwidth uncompressed signals.
- Gold plated contacts for superior electrical performance and durability.

DESIGN CONSIDERATIONS

- Feedthrough connector accepts HDMI cables with Type A plugs
- CL2-rated cable recommended for in-wall wiring
- Connector not compatible with angled QuickPort wallplates or surface-mount boxes (41089-xxx)

PHYSICAL SPECIFICATIONS

Dimensions:	See page two
Materials:	ABS plastic

COUNTRY OF ORIGIN

Taiwan

WARRANTY INFORMATION

For a copy of Leviton product warranties, visit www.leviton.com/warranty.

Note: Leviton does not recommend using the HDMI Feedthrough QuickPort Connector with any QuickPort housing having angled ports. While it is possible for the HDMI connector to be installed, the recessed design prevents the HDMI cord from properly mating with the connector. Leviton Angled QuickPort Wallplate products include: 41081-xxP, 42081-xxS, and 43081-xLx.
